**Maintenance Report:** CentraNet is completed, the tree lot has been cleared off by Elite, when snow on the ground, then they will burn it, the rock out there was attempted to be buried, but the ones around the fence were left so that the fence didn't get torn up. Anything damaged by CentraNet was fixed by them

Seconded – JoAnn Hale  
Motion carried – Carl Long, Aye, JoAnn Hale, Aye

**Cemetery Report:** The chain that was purchased to lock the gate was cut and the sign purchased to hang there was bent. JoAnn had received complaints about the cemetery being locked. Discussion took place on a different solution due to this issue. Maybe have hours the cemetery would be open posted, or have someone open the cemetery at sunrise and at sundown. Discussion also took place about replacing the chain link fence in the front of the cemetery. Need to get another sign to put up, open sun up, to sun down.

Motion made by JoAnn Hale to get another chain and lock for no more than \$200.00
