Generator has been put on the ground wires run, waiting on gas company to set  
meter, one thing to consider is a contract to do the annual maintenance on the  
generator, it's 588 a year which includes wireless monitoring as well. Extension  
was accepted so we have until the end of August. Fence on the north side of  
lagoon is damaged and needs to be replaced. Waiting to hear from ACOG to see  
if we could add this to the grant.

**Water Report:**

Meters were read, no leaks or anything on the Town, Jeanne Dobson called and  
had a leak, thanked Linde for turning off water so they could find it

**Wastewater Report:**

Been running the sprinklers, need to get an electrician out to look at the first  
aerator, the breaker keeps popping. Need to get permission to spend over  
\$500.00 and if necessary, can be done by having an emergency meeting
