Discuss Trash Services:

Trash pickup date is changing from Friday to Tuesday starting March 1st. Reach out to Langston City Hall and see if they are wanting to go out for bid for trash to see if a company could pick both Langston and Coyle up for trash service. Davis, Waste Connections, RDS – check to see if they are interested in being on our bid list.

Water Meters:

Need to have a couple of water meters on hand just in case we need them. One meter needs to be replaced that hasn't been reading.

Resignation of Russell Water:

Russell feels that it is the best interest of his family to make a move. He will be very missed.

New Business:

JoAnn's valve cutoff is broken. Charles has looked at it and is waiting for a price on the valve. Worst case cost could be \$700.00. Would like to replace with a metal can.
