Motion carried unanimously

**Fire Dues to Water
Billing:**

Instead of requiring an annual payment of \$60.00, offer it as a benefit to the citizens in the town to be able to pay it out monthly instead of the onetime payment. Older citizens might be more willing to pay monthly rather than annually. Determine if there is interest from citizens in providing an opportunity to pay fire dues monthly.

Motion made by JoAnn Hale to issue a mailing to advertise the website and inquire to see if there is interest in the town billing monthly Fire Dues instead of annually.

Carl Long – Seconded

Motion carried unanimously

FFA Building Meter:

Meter has been covered up with dirt for several months and wasn't being read. When read this month it resulted in a usage of 75,000 gallons. Might need to meet with the Superintendent and let him know that it has to always be uncovered. Need to check usage to see if they have covered their overage in their minimum charge.

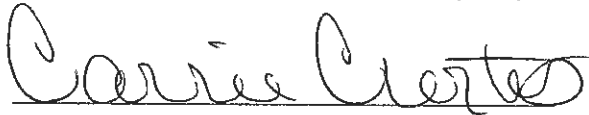

**Power Restored to
Electrical Pole from
Truck Incident:**

Power has been restored. Pole was provided by Dillon Radar, Kevin dug the hole and set the pole. Figure time from Russell and Kevin to add to insurance claim as well as invoice from Gooch Smith Electric. No electric was connected back to the jail.

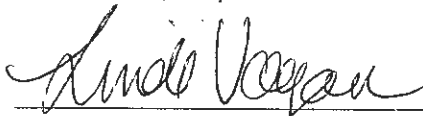

Next Meeting:

Next meeting is scheduled for December 14, 2021

Meeting was adjourned at 8:42 pm by Mayor Carrie Curtis
