Holding Regular Meetings:	In order to hold meetings, it is important to know and understand what the responsibilities of the Trustees of this Trust are. JoAnn has provided to the Board information to review describing these responsibilities. The school has no oversight by the Authority per this documentation. There has to be an audit of the authority. The authority has the right to ask the school to pay for audit of the authority. Carl offered to go to the school and discuss this with the Superintendent. The Trustees have never had any oversight of the school on this issue. We have got to understand what is required. JoAnn stated that she believes the school should take the lead on this and see what they want to do. We can't take the Town money and do these audits for the Authority, only the money paid to the Town for this Educational Trust Authority.
New Business:	No new business
