Re-evaluate quotes from Lift Station Pump Repair: Luckinbill came out this morning to pull the pump and they told us that they were not aware of the status of our lift station and we unable to pull the pump. The chain that was attached to the top of the pump has deteriorated and there is no way to hook to the top of the pump. In order to pull the pump someone will have to go inside the lift station and attach to pull the pump out and to reset the pump, the same would have to be done.
Motion made by Dusty King to give the bid to Total Construction
We need to figure out how to buy from the state surplus. Carl stated that we reach out to our state representative due to the seriousness of the state of the lift station. We will need to contact the engineers to come out and look. There is a galvanic corrosion system on the lagoon that Jason discovered today, however, it seems to be non-functioning.
Motion made by Dusty King to give the bid to Total Construction
Seconded – JoAnn Hale
