Dusty stated that both JoAnn and Carl have received a copy of the Trustee Eligibility documentation. The definition in the state statutes are clear on who is eligible to be a Trustee. The county assessor has to go off the Oklahoma Tax Commission maps for their map. Several of the Town residents spoke with concern about this issue that if it is true, and we have an unlawful Trustee, it needs to be addressed before moving forward.

Representative John Talley: State Representative John Talley was here and discussed some items that he has been working on and would like to continue working on in our area. Conversation between the attendants of the meeting and John took place.
