**Spring Clean Up-
Rodney Timms:** Rodney and Jill Timms have a Roll-Off business that can deliver roll-offs and can load them up for people that can't. Would like to see about the city renting some roll-offs to do some Spring cleaning. Republic contract states that they are supposed to be the only trash service in town. Will check contract to see if this specifically discusses roll-offs.

**Moving House to
Property-Rodney
Timms:** Bought 5 acres that has a house on it. Purchased a property here in town and would like to move the house from down by Guthrie to here. Provided photo of the house. It's about 1200 square foot, 3-bedroom, 2 bath. They will

make sure that it looks nice once it gets moved and settled in.

**Continue Discussing
Adding Police
Protection-Chief Hill,
Curtis Stewart:**

Carl spoke to them last week and suggested that we give them the ok for them to run calls in Town. Carrie understood that Chief Hill had talked to his legal council and they cannot take any action in Coyle unless dispatched by Guthrie or Logan County Sheriffs. Carl believes we should be able to allow them to be able to respond to calls in Town. Worked on budget and from looking over the budget, it looks like we could be able to afford the police protection, however no decision can be made at this time. Offered 24-hour police service for \$2,000.00 a month, with the Town receiving all of the amounts from any tickets. Motion made by Carl Long to table this until next month.

Haven't been back out to the cemetery to finish that part of the project. Have a mystery about if a plot has been paid in full. Need to go look through boxes at the Depot.

Court Clerk Report:

Nothing to report.

**Emergency
Management Report:**

School will be running a tornado drill at 9:00 tomorrow morning. Goddard Siren came out and checked out the siren. We've got it to where it can work. Need to replace the control module in it. Responded with 6 Fire Department calls. Chances of snow this week. Light tower generator grant was denied from OEMA. Training grant has been indicated as guaranteed, no word on the EOC grant. Langston would like Coyle EM to help in responding to calls in Langston. Tahoe had work done at Benton's, but all of the rubbers did not get changed. Took it over to Stafford Automotive and received a quote for \$889.00 to replace all of the rubbers and realign the Tahoe. Dusty got certified as C.E.R.T. Trainer. OEMA Conference is at the end of the month. Will be taking a couple of classes
